You are hereby notified that the San Diego Field Office of the Los Angeles District Corps of Engineers (Corps) is suspending our quarterly interagency preapplication meetings until further notice. The next meeting, scheduled for **Wednesday July 16, 2003**, has been canceled.

Proponents of projects that require a Streambed Alteration Agreement from the California Department of Fish and Game (CDFG) should contact the CDFG office at (858) 636-3160. CDFG holds Pre-Project Planning Meetings for the Streambed Alteration Program on the second Tuesday of each month. Normally a Corps representative will attend the CDFG meetings if Corps jurisdictional impacts are proposed. To discuss or schedule a preapplication meeting for projects that will affect other Waters of the U.S., please contact our office at (858) 674-5387. A determination will be made on a case-by-case basis whether an individual, preapplication meeting is necessary.
